# Gardening Club

We are a group of parents and carers who meet up at least twice a term to assist with gardening at school. Our aim is to improve our children's school by making their playground and school gardens an even more attractive and pleasant environment for them. Since our club started approximately 18 months ago we have achieved many great goals around the school grounds.

Two of our new members Georgi and Brendan hard at work, thank you, we appreciate your help

Thank you to Kersti Martin, Georgi Davis, Brendan Davis and Brenda Cunningham who planted the ground cover plants donations by the Wollondilly Community Nursery. If you are interested in volunteering the garden club will be meeting up next **Tuesday the 14<sup>th</sup> of March at 9.30 am- 10.30 am**.

Contact Brenda on 04 31 459 756 for future details.

This year one of the garden clubs aims is to brighten up the outdoor entrance areas near our children's classrooms with large pots or containers which will be planted with drought tolerant plants such as succulents.

We are looking for donations of :

1. large colourful pots or pots that we can paint
2. Succulent cutting (they do not need to have roots on them). Please contact Brenda on 04 31 459 756 if you think that you can help.

### Spring Plant Sale fundraiser donations

Thank you once again for all of your support with last year's successful Spring Plant Sale fundraiser. The Parents and Carers association at our school is now starting to plan once again for this fundraiser which will be held later this year.

Are you able to help with the following donations?

1. Plastic plant pots (medium -small sizes)
2. Cutting from plants that we can propagate
3. Plant donations (Are there any plants that you no longer want?)

Please see if grandparents, aunties, uncles and family friends could help?

Please contact Brenda or Lauren on the phone numbers provided in the P&C newsletter or alternatively private message the P&C Facebook page. Many thanks in advance for your support.
