# Gardening Club

**PICTON  
SAND & SOIL**

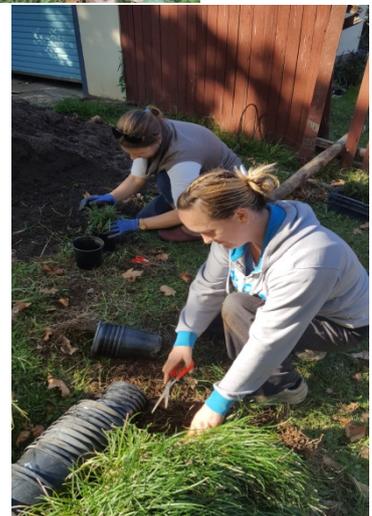

We are fortunate to have such a wonderful local business that has once again helped out our school. Thank you Picton Sand and Soil for your generosity.

We had a delivery of potting mix/soil that we are using to pot up plants for our plant sale fundraiser. Great work Melissa Whishaw, Georgie Davis, Katherine Whittaker and Brenda Cunningham who have already potted up over 70 plants. Let's support this local business who supports our school!

Thank you to Vanessa Ingram, Georgie Davis, Sarah Burke, and Brenda Cunningham for attending the garden working bee at school this week. We created a new garden bed near the year 5 and 6 classrooms. *Next working bee : Tuesday the 6<sup>th</sup> of June at 9.30am-11.30am. Contact Brenda on 04 31 459 756 with any queries*

We are extremely grateful to the **Wollondilly Community Nursery** for their ongoing support with our school garden club. They have donated over 100 plants so far to the club which we have planted at our school. Thank you to Fiona Scott and all of their fantastic team at the nursery.

# SPRING PLANT SALE

Last year the P&C held the first Spring Plant Sale fundraiser in October. It was a very successful event raising thousands of dollars for our children. The money raised has gone to the school to purchase new readers for our students. The event was so successful thanks to the support of parents and carers and others in our local community.

We ask you once again to support the plant sale as the P&C are starting to get organized! There are a few items that we are searching listed in the box below

- **Medium size plastic pots or other pots**
- **Plant donations or cutting from plants**
- **Are you able to try and source plants from friends and family?**
- **Plant trays to raise seedling and /or store the potted plants**

**Please contact Katherine Whittaker on 04 08 051 340 or Brenda Cunningham on 04 31 459 756 if you can help or have any questions.**

We have had a lot of generous plant donations over the last couple of weeks that we will use around the school and for our Plant Sale in Spring. We are extremely grateful, Mrs. P. Davis, Kristy Smith, Anna Hansen and Melissa Whishaw. Thank you for giving up your time and all of the effort that you have put into helping our school.
