P&C Update Term 2 Week 6

**FUNDRAISING TOTAL
TO DATE
\$3,772**

Our next P&C meeting will be next week, on Tuesday 6th June at 7.30pm in the school staffroom. This is a great opportunity to come along and voice your opinion on topics that are important to our children's education. It is also a chance to meet fellow parents and carers in our school community. We hope you can join us!

Over the next few weeks, one of our main focuses will be on our Fundraisers that we have coming up over the next few months. You will find further information in this newsletter on each event, should you wish to assist.

Thank you again for your continued support throughout the year, we are grateful to have such a supportive and generous school community!

P&C MEETING – TUESDAY 6TH JUNE AT 7.30PM

Gardening Club

A huge thank you to Doug from **TREE SOLUTIONS** for very generously giving our school a free truck load of mulch. Let's support this business who supports our school! We will be distributing this mulch around our school gardens over the next few weeks. You are welcome to help move the mulch in your own time outside of working bee dates. Please just sign in at the office as a volunteer and the office staff will guide you as to where to place the mulch. If you are able to help out with this job and have any questions, please contact Brenda on 04 31 459 756.

Thank you Samantha for your lovely plant donations.

Last year the P&C held the first Spring Plant Sale fundraiser in October. It was a very successful event raising thousands of dollars for our children. The money raised has gone to the school to purchase new readers for our students. The event was so success thanks to the supports of parents and carers and others in our local community.

We have been delighted to receive many donations so far, thank you for these wonderful donations. We ask you once again to support the plant sale as the P&C are starting to get organised there are a few items that we are searching listed in the box below

- **Medium size plastic pots or other pots**
- **Plant donations or cutting from plants**
- **Are you able to try and source plants for friends and family?**
- **Plant trays to raise seedling and /or store the potted plants**

Please contact Katherine Whittaker on 04 08 051 340 or Brenda Cunningham on 04 31 459 756 if you can help or have any questions.
