Welcome to 2017

Welcome to the start of a new and very exciting year for our students and families. This year we have 14 mainstream classes and 3 Support Classes. Our students are to be congratulated on their wonderful start at our Monday assembly.

Their settled and positive behaviour and ability to organise themselves after a long break was outstanding. Our students look great in their uniforms and their lovely smiles were wonderful to see. It was lovely to hear comments from parents how much their children wanted to come back to school. Congratulations girls and boys! I look forward to another wonderful year of excellent learning at Picton Public School.

Our staff had an excellent school development day with a focus on our mandatory DoE policies such as Child Protection, Code of Conduct and Complaint Procedures. I would like to extend a big thank you to members of the Executive Team Mrs Beard, Mrs Howard and Mrs Boyd and teachers Mrs Menz and Ms Lang for their excellent leadership of the sessions. Staff worked very hard with professional learning in literacy also. Staff are to be congratulated for their excellent participation. The school development day is always a busy professional learning day for all of our staff including administration staff.

Welcome to our New Families!

I would like to welcome new parents, students and family members to our school and we look forward to getting to know you throughout the year and we hope that your children have settled in well over these first few days especially and established some new friendships. It is great to have you here! Please don't hesitate to contact the school if you have any questions.

Kindergarten Start

What a wonderful start for our Kinders. They are so settled and enthusiastic about "BIG" school. Their smiles were a joy to see!! It was lovely to catch up with parents and grandparents yesterday also. Thank you to the P & C for their morning tea and special gift bag! **Swimming Carnival: Friday 10th February: Competitors Only**

All primary students who are interested and competent and any student turning 8 this year should have received permission notes for our carnival this week. Please note that it

is competitors only participating. Please ensure that permission notes are returned as soon as possible. We look forward to an enjoyable day with hopefully some enjoyable weather too! We also appreciate the support provided by parent volunteers on this day. Thank you in anticipation.

7.00pm P & C Meeting – Annual General Meeting – Election of 2017 Executive Team – 7pm, followed immediately by the normal P & C Meeting

Our first P & C meeting for 2017 will be in Week 3 on Tuesday 7th February and is held in our staff room which is at the back of our admin building. **Please note that this meeting is our Annual General Meeting (AGM) and new executive will be voted in. It starts at 7.00pm** – half an hour earlier due to being the AGM. Our normal P & C meeting will immediately follow after this meeting (it may be earlier than 7.30pm) and I would like to extend a welcome to all parents, particularly our new Kindergarten parents and new families to our school. Please come and join us as the P & C play a very important role in our school. I look forward to catching up with you all and looking at planning for 2017. *(Please see the nomination form included in this note and it is also available on our school website.)*

School Contribution / School Fees

Schools fees will remain at \$43 per child or \$65 per family. Payments can be made at the school office and via Parent Online Payment (POP). School fees are used to support the purchase of resources for students. Thank you for your support. We will have a special prize also for our supporters, watch this space! Please help us with this important funding for our school.

Stage Newsletters

Stage Newsletters will be sent home this week to inform parents of the organisation for their child's year, please read them carefully for important information for your child.

If you have any questions please make contact with your child's teacher or the stage supervisor via the office on 46 77 1497.

I hope that our families had a lovely break with your children too. I look forward to a very productive 2017 and working closely with parents.

School Information and Procedures

I have listed below a reminder of procedures for current families but especially for our new school members. If you need any clarification please feel free to phone our office staff or pop into the office personally.

Newsletter

Our school newsletter is published fortnightly on Wednesdays, and it is distributed electronically. If you have not already subscribed to our school newsletter, please do so as soon as possible. Excursion notes will be distributed to each child but we ask if you require an additional note, please download one from our school website, where all notes and newsletters can be accessed. The information regarding the electronic process is attached to this note.

Absences

When a student is absent from school, a phone call on the day of the absence is required to the school. If a call has not been received by approximately 10am, a school administration staff member will phone the parent in regards to the absence. In the case of a known absence (eg. a holiday), a request in writing is to be submitted to the Principal. Forms are available at the office and this is a legal requirement. A specific reason for absence is required by office staff eg. sick with vomiting.

Attendance: Early Leavers/Late Arrivals

Parents wishing to pick up their children before normal school finishing time must collect a pass from the office. This pass is then given to the class teacher when a parent collects their child from the classroom. Children will not be released from class without this pass. Alternately, all students who arrive late for school must report to the front office with their parent to collect a late pass. This pass is then taken to the class teacher.

Late arrivals and early departures are marked as partial student absences in our roll marking system. Prompt arrival at school is encouraged to ensure the best start to the learning day.

Money Collection Procedure:

The Magpie Box

We implemented this procedure to assist with smooth money collection for parents, teachers and office staff. We thank parents and carers for their excellent support with our Magpie Box. For all new families, we have a black security box located on the wall next to the office entrance on the verandah called the Magpie Box. All students are to deposit all money before the bell each morning. Parents can utilise the box also at any time during the day. Once receipted, the excursion permission note and the receipt will be returned to class teachers. Each class teacher retains the permission notes and the receipts will be returned to parents. To ensure efficient processing of money, please ensure that envelopes are clearly labelled with the following: Student Name, Class, Excursion Name, Amount Enclosed. Unfortunately change cannot be given at the office and money is not kept on the office premises. Thanks for your support with this ongoing procedure. We now also have POP – Parent Online Processing (information attached).

Uniforms and Clothing Pool

Our school uniform shop is open Tuesday 9am to 10.00am each week and is located in the brick building adjacent to canteen. If you are unable to make it to school at these times, you can leave your completed order form in the office to be filled at one of these times. Paid orders can then be sent home with your child. Order forms are available in our office and on our website. Our volunteer parents do a wonderful job with this – thank you to Catherine Whittaker and Melissa Whishaw for their leadership.

Pre loved uniforms are also available from school. They are located in

the uniform shop. If you have any school uniforms you would like to donate to the clothing pool, please drop them off to the school office.

P & C Meetings

P & C Meetings are held on Tuesday evening in Week 3 and Week 7 of Term 1, 2 and 3 and in Week 3 of Term 4 at 7.30pm in the staff room. Access to the school on these evenings is via View Street and the back door of the admin building which leads directly into the staffroom. Our AGM in Week 3 though begins at 7.00pm followed immediately by our normal P & C Meeting.

Combined Assemblies

Whole school assemblies are held each term in Week 5 and second last week of term on Wednesday at 12.10pm in the hall. Parents are welcome to attend to celebrate student achievements.

Anaphylaxis (Severe Allergic Reaction) Awareness

Picton Public School has a number of students who are anaphylactic. This is a serious life threatening reaction (which could result in death) to specific food products, especially nuts and also eggs and dairy products.

To directly support our students Picton Public School does not stock peanut products in the canteen and asks for your support by asking all parents and carers not to provide their children with peanuts or peanut products e.g. peanut butter or nutella sandwiches etc.

Your cooperation in this is greatly appreciated to help ensure the safety of all our students at all times. When anyone attends our school this is also one of the notes parents and carers fill in to support our students. Thank you for continuing the support of our anaphylactic students. Each year staff complete Anaphylaxis training to support our students.

Compulsory School Attendance in NSW Schools

Under the Education Act (1990) all children from six years to seventeen years of age are legally required to attend school every day. Recent changes to attendance requirements place obligations on schools to more closely monitor attendance and to take appropriate action if students are either not attending or are absent for reasons not justified by the school.

At Picton Public School, we value good attendance from all students. Regular attendance is important because it helps your child:

- Maximise their learning opportunities
- Develop the skills needed to access the world of work and other opportunities
- To learn the importance of punctuality
- Maintain healthy social relationships with their friends
- Develop a good working relationship with their teachers

Unfortunately habits of non-attendance tend to develop quickly and it is concerning, that if a child misses just 8 days a term, they would miss more than one year of schooling by the end of primary school which then presents problems as they begin high school.

The law requires that if your child is absent from school, you must inform the school as soon as possible and provide a legitimate reason for your child's absence. This can be done by

- Sending a note on your child's return to school
- Contacting through email, phone or fax
- Visiting the school

Parents / Caregivers should note that schools are required to record absences that are unexplained or unjustified and may also be required to report these to various welfare agencies, who may choose to follow this up with parents.

Your child's education is important. Please contact the school if there are problems in getting your children to school or if there are concerns you have about them at school. A positive partnership between home and school in this area is of great value to the school but most importantly to the success and quality of your child's education

POP PAYMENTS

Update for all Schools using Parent Online Payment

I am pleased to advise that POP is now user friendly on mobile devices.

Behind the scenes Westpac has been working on an upgrade to the Parent Online Payment webpage attached to the school's website. In the past using the '\$ Make a payment' page through a mobile device or tablet has not been as easy as on a computer. Now, automatically, when parents click on this page, via a mobile device, they will be able to complete the online form with ease.

You may wish to provide this information with parents in any correspondence going out to parents over the next few weeks.

Did you know that you can make payments to your child's school online?

We have launched a new online payment portal linked to your school's website to make it easier for you to pay for school related payments. This is a secure payment page hosted by Westpac.

What expenses can be paid online?

- Voluntary School Contributions
- Subject Contributions
- Excursions
- Sport
- Creative and Practical Arts
- Sales to Students
- Other
