## Safety Concern: Staff Car Park

The staff car park is not for parents to park in, please **DO NOT** do so. This is extremely dangerous as parents and students are not to be there. We also have the Support Class Unit Taxi Service using this area, some are private vehicles. Also **DO NOT** walk through the car park. This is strictly staff car park. This is for all members of our community's safety. Please adhere to this request. My staff are also authorised to ask parents not to park or walk through the car park. Please be considerate and respectful by following their instructions or further action may need to be taken. This is also a major Department of Education concern after the tragedy that occurred at a city school. Please follow this procedure as requested and thank you to those members of our community who already do so.

Principal

## Principal's Pen

### 'Mr Macs' Seat: Special Ceremony

We will be having a small informal ceremony to honour Mr McCarthy. You will have possibly noticed a new metal circular seat as you enter the school. The school and P & C jointly purchased to recognise Mr Mac's special place in our school. We will have this small ceremony with our Year 6 students involved on Wednesday 6th June at 10.30am. Peter's wife, Dianne will be with us, P & C members also will be present. If you would like to attend you are most welcome, could you please just phone the school on 4677 1497 to confirm.

### Mother's Day Stall

Congratulations to our P & C on your wonderful Mothers Day stall led by Belinda Maitz and Katherine Whittaker and their very capable team. Our students were just thrilled about the choices of presents and were so excited. Another excellent fundraiser coordinated by our P & C—well done!

### P & C Meeting

Congratulations to P & C on another valuable meeting last week. We had a focus on planning for fundraising events across the school and also supporting the Fairley family. More information coming out soon about the latter.

### Staffing Update

We are farewelling a number of staff this term. Congratulations to Ms Tamara Hay on her successful permanent appointment at Tahmoor School. Tamara commenced last Monday. We were excited about her permanency but we will miss her greatly. We will also be farewelling Mrs Maher and Mr Harvey who will both be retiring. Mr Jim Harvey has actually taken additional leave and is moving to retirement now. I would like to extend a big congratulations to Mr Harvey on his retirement and for his leadership across many areas of the school over many years, Stage Teams, Learning Support and especially

Technology which is a huge job. I wish Mr Harvey all the very best for now and the future and with this special phase of his life. Mrs Maher enjoy the rest of the term! 😊

### NAPLAN

Congratulations to all of our students in Year 3 & 5 for your excellent participation in NAPLAN. I am proud of the way that students approach special programs in our school, so settled, focused and engaged. Well done to all of our teachers involved and a big thank you to Mrs Beard for her coordination.
