December 18, 2019

Dear Parents and Carers,

To ensure all students are well-equipped with the resources they need for a successful year of learning from day one, we are pleased to be able to provide this information to you before the Christmas Holidays. It is hoped that all families use this time to gather the necessary resources for their child and child's classroom. Having these necessary resources ensures the smooth and successful operation of the classroom learning environment, where students have the best chance to flourish.

Please supply the following items to your class teacher in 2020.

- 4 whiteboard markers
